Let **FUN** Begin

We are once again at the end of the season where it has become a tradition to finish with our eagerly awaited summer fun day!

One by one they start arriving in their swimming gear and towels. Without hesitation, intimidation or reservation, they sprint to the fun.

With Slip 'n slides.....

Toddler pools.....

Inflatable toboggan.....

Dunk tank.....

and numerous accompanying inflatable accessories to make the afternoon another great end of season fun day where our young ones get to enjoy it to the fullest.

For one afternoon only, we turned our hockey pitch into a water park with kids rushing everywhere.

After all the running, slipping, sliding, dipping and dunking, it was time to recover some energy with three large scrumptious paellas from Dinning 54 donated by J. Balban Electrical Ltd.

With music, friends and good energy, the only possible outcome has to be great, and that was exactly what our diligent committee intended for our members. With a season of high commitment, dedication and effort, they deserved no less.

Thank you to all those who helped before, during, and after the day was over. Great job!

Cheerio darlings!
