## CHAMPIONS OF THE YOUTH 2023/2024 COMPETITIONS

### Titans take it all!

The youth competition concluded with the GH presentation of trophies, where our four participating teams were receiving for their personal awards and team achievements.

This season has been exceptional for our young players, as they achieved 1<sup>st</sup> place in all four youth titles.

Personal Awards were also presented on the day to the 'Most Improved' and 'Best Players' of each category. These players were nominated by their respective coaches, which was a challenging task given the talent displayed by all players.

**CHAMPIONS:** Our minis 'Titans 19' secured both the Cup and League competitions, while our junior 'Titans Blue' also triumphed in both competitions.

**RUNNERS-UP:** Juniors' team, 'Titans Grey' finished as runners-up in the Cup Competition after a hard-fought final against 'Titans Blue'.

**THIRD PLACE:** 'Titans United' earned third place in a fiercely competitive minis competition, and 'Titans Grey' secured a podium position in the League Competition.

A special mention goes to our Cubs, who were included in the youth competition for the first time as an introductory group. They participated in friendly matches during the Cup and League and showed promise for future competitions.

Witnessing the evolution of these players' skills, training after training and match after match, has been incredibly rewarding. Their perseverance and determination have been instrumental in their success.

Our 'Best players' presence have not only made a difference on the field but have also led and inspired their teammates.

Watching our players grow as individuals and athletes is such a privilege. The club is not only proud of their achievements, but also of their exemplary sporting behaviour and conduct throughout the season. Thank you for representing us with such respect and for trusting us with your development.
