Day trip to San Fernando

An early start to a full day's schedule of matches in San Fernando awaited our youth teams – U10s, U12s, U14s and U16s.

An enjoyable two hour bus drive with thirty-five eager kids saw us arriving to our first match at midday.

For many of these players, this was their first away tournament. Nerves were high and the stress to play their best hockey was palpable.

The uncertainty of what level to expect was a little intimidating for them, but this

feeling was completely erased after they played their first match which ended in a draw. After this first match, the player's confidence grew by the minute and this was displayed throughout.

It was amazing to see these young players fighting for 50/50 balls, taking on players on one-on-one offensive plays, and defending tight.

Family members did not want to miss the opportunity of supporting our young group and their presence was definitely heard and appreciated by our players.

A total of 9 matches were played on the day ending in 4 x wins, 2 x draws and 3 x losses.....Overall, a very successful day!

Matches ended at 7pm and a much quieter return bus drive awaited us.

A day where not only good hockey got to be played and enjoyed, also fond memories were made and will be cherished forever!

We would like to thank San Fernando Hockey Club for having organised and welcomed us to such a fantastic day of hockey. **WE SHALL DO IT AGAIN!**
