Cardiac Association charity walk

Some of our club members took part in a charity mile walk on 27th February 2024 to help raise funds for the Gibraltar Cardiac Association.

A very well organised and supported event by the local community which ended with a candlelit ceremony.

Hockey ID Trials

A partnership between Titans HC and PossAbilities has been agreed to offer a two months' introduction to hockey ID to individuals with an Intellectual Disability. This trial will run during the months of March and April with the aim of officially starting this new division in September, depending on the interest received.

Titans HC is working towards making hockey more inclusive and ensuring we all get a space in which to enjoy the sport and grow as individuals.

Main pitch competitions come to an end

This year the Gibraltar Hockey Association scheduled the development and senior leagues to be played between December 2023 and March 2024. Although it was a short season, we have

had 14 weeks of highly contested intense hockey at all levels.

The increase of participating teams in certain divisions has made this year's leagues very interesting to play and exciting to watch.

Gibraltar vs Wales O40s & O45s Women

Gibraltar welcomed the Welsh female O40s and O45s national side to play a couple of matches against Gibraltar's top female players.

A total of 7 Titans players were selected. Amongst these we have to give a big shout to Diana Soussi Avellano who was not only selected as player but also as Captain of the team.

A huge Congratulations to all Titans players selected to represent the respective teams.

Our Crowned Princess

Congratulations to Lauren Shephard for winning 2nd Princess at the Miss Gibraltar 2024 beauty pageant. YOU NAILED IT GIRL!

We might have lost our Goalkeeper for a while but we have gained a princess.
