Preparations for our 4th Awards Gala Night commenced 5 months ago and we were ready!

The venue, VIP list, meal selection, decorations and most important.....the awards, were all taken care of with plenty of time to ensure all those present would enjoy an unforgettable night at the Royal Gibraltar Yacht Club.

We were honoured with the presence of four former Olympian athletes, namely Lady Mary Peters LG, CH, DBE (1972 Pentathlon Gold medallist for Northern Ireland), Joslyn Hoyte Smith MBE (1980 4x400m relay Bronze medallist for Great Britain), John Herbert (1986 Triple Jump Gold medallist for Great Britain at the Commonwealth Games) and Jerome Dekeyser (Belgian Hockey team striker) now coach of our club. Amongst them were also representatives of our sponsors from Gibunco Group, AMA Services, Iberis Marine and Portman Services.

Presentations were off and we started with recognition certificates presented by the club president to all our committee members, coaches, assistant coaches, umpires, and other volunteers.

We then moved on to the presentation of medals to our Grassroots which were handed out by Adrian Avellano CEO of AMA Services Limited

Next we had the individual awards for each of our respective groups in Cubs, Minis, Juniors, Development and Seniors presented by Hamish Risso, representative of our main partners 'GIBUNCO GROUP'.
