Fund-Raising Raffle

Another year where our club members unite in the selling of raffle tickets. This time, we're raising money to purchase a video camera, which will help us analyse our tactical play and on-and-off-ball decision-making.

We would like to thank Biancas Restaurant for donating a meal for two with a bottle of wine, and Sunborn Gibraltar for donating a nights' stay. Both these generous donations went to our lucky third prize winner.

CONGRATULATIONS to our three lucky winners! The first-place winner received a PlayStation 5, and the second-place winner received an Apple Watch SE.

As with every fundraising event organised by the club, we were pleased to contribute a £250 donation to the EV Foundation as part of our 'GIVING BACK' scheme.

Coaches' Mentoring Camp

The club's aim is to develop a cohesive structure of play which is to be applied at all playing levels and in their respective formats. To achieve this, we organised a

coaches' mentoring camp where Jerome Dekeyser shared his experiences, knowledge, and recommendations on how to best prepare and deliver training sessions. The camp was attended by the majority of our coaches and featured a well-attended session with players of all ages.

The morning's camp turned out to be a very educational for our coaches and enjoyable for our players.

Hockey ID - feedback

We are excited to announce that thanks to the positive feedback received from PossAbilities, Titans will officially include Hockey ID as part of our activities program next season.

The club is committed to supporting our coaches by providing the appropriate training and they have already attended online workshops to prepare themselves accordingly for September.

Gibunco Extends Its Partnership

We are thrilled to share that our main partners, 'GIBUNCO GROUP', have extending their sponsorship agreement for a further three years.

Their behind-the-scenes support truly makes a difference, and we cannot thank them enough. It is an absolute privilege to have such a highly regarded company accompanying us in our journey. We will continue to work hard and make you proud of our partnership.

This extension comes with a rebranding of their logo, which will see the club in new playing kits for the next three years.

Interschools Are Back!

The day of school hockey competitions has returned! It was exciting to see so many kids proudly sporting their school colours and battling tirelessly to claim victory.

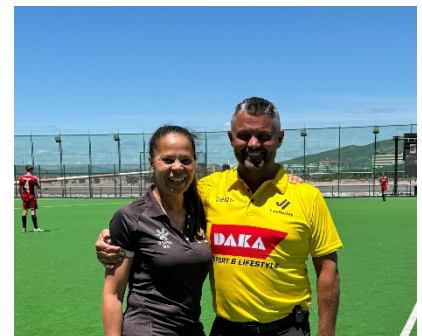

Although this event is to be held biannually, the support for hockey in schools is greatly appreciated.

Congratulations to our Titans players who participated in this event, and a special shoutout to Michaela, Ana and Leo for being named the best players for their respective schools.

EuroHockey Back on the Rock!

Diana Soussi Avellano and Paul Evans had the privileged of participating as the local Judge and local Umpire, respectively, in the EuroHockey Men's Club Challenge II competition hosted by Eagles HC from 16th to 19th May 2024.

This event welcomed 4 foreign officials and 10 foreign umpires, keeping Diana and Paul busy with daily appointments throughout the competition.
