TALENT AWARD

AMY SENE & EVA RODRIGUEZ travel to The Netherlands from 2nd to 8th July 2024.

Our last year's talent award winners will be attending an elite hockey camp in Hattem, The Netherlands. At this camp, the coaches will be focusing on the application of techniques to achieve a consistent and effective execution of skills.

The girls will be joining a group of 26 elite youth athletes from Belgium and The Netherlands under the coaching of Robert Justus and his team.

The camp will consist of daytime hockey activities and daily evening social functions where we have kitted our girls with comfy OSAKA social wear clothing to change into.

And we are off.....

Two very excited girls set off on a hockey adventure and although they are intimidated, they are also very eager to see what awaits them.

Hattem here we come!

With a flight and train's distance from home, the girls are chaperoned by Megan and her boyfriend Alan. Seven hours of travel in the company of four very healthy spirited individuals.....three women and a man.....pobre Alan☺

Wednesday 3rd July (Day 1)

With an early rise, Megan and Alan say goodbye to the girls and leave them at a camp where the other boys and girls are starting to arrive.

Two large sleeping tents had been arranged to accommodate the girls in one and the boys in the other. Can only imagine how much sleep will actually happen.....

The training programme is out with lots of hours on the pitch tackling individual skills, techniques and application of such in matches.

Time to make new friends.....

It's at these kind of events where strangers become friends and the closest thing to a temporary family. Both Amy

and Eva are very sociable girls so they will certainly make friends almost immediately and share their fun personalities with the rest of the group.

Sunday 7th July (Day 5)

Last 24 hours at the camp and unfortunately it comes to an end.

Diana arrives at the camp to bring them back home the next day and arrives to find two very happy girls anxious to speak of the amount of fun they have experienced and everything they have learned.

With one last night before they need to say their goodbyes to their new friends, they still have one last nocturnal social event where very little sleep was to be had.....Diana, be ready for two very sleepy travellers ☺

Saying Goodbye.....never easy so we agreed to leave with an 'HASTA LUEGO'!

.....Titans will return.
